INSURANCE COMPANY AND NETWORK AFFILIATIONS

Please note that our Providers participate with the following plans. However, when choosing an insurance company, it is also necessary to ask them if our providers are in their network. As parents you always need to verify: 1) we are listed in your insurance company's network, and 2) what your benefits are.

If you don't see your insurance company listed below check to see if you have a network. For example you may have Aetna insurance that is affiliated with Midlands Choice. Check your insurance card to see if any the networks listed below are on it.

Many plans require that you make a co-payment at the time of your visit. To make it as easy as possible for you, we accept cash, checks, and most major credit cards at our offices. We also have trained in-house specialists who can answer many of your insurance questions.
